Dear Friend and Supporter,

It is with great excitement that we share our Fiscal Year 2011 Annual Report with you. Because of you, 2011 was a monumental year for us as we celebrated our inaugural season of camp at Roundup River Ranch, welcoming nearly 250 children with chronic and life-threatening illnesses for a fun, safe, and empowering experience.

We encourage you to read the enclosed report, highlighting activity between November 1, 2010 and October 31, 2011. As we look forward, we are hopeful that our 2012 camp season will be even more successful than last year.

As you may have seen, the Association of Hole in the Wall Camps recently became SeriousFun Children's Network. We are proud to continue Paul Newman's legacy as a member of SeriousFun Children's Network as we move forward as an organization and Network, celebrating the serious fun we bring into the lives of our campers and their families.

Again, we extend our sincerest gratitude to you for your support and commitment to our campers and their families. Without you, none of this would be possible.

With appreciation,

Ruth B. Johnson, JD
Chief Executive Officer
