

- Howdy Round up River Ranch
Thank you so much for
being in Colorado. I had
a Great time. I loved zip lining
and fishing, and every thing
else. For a week I was a
kid. At most camps you
don't learn anything, but I
learned it's ok to be different.
I had a blast and never wanted
to leave. Thank you to all the
volunteering counsors for making time

to be at this amazing camp.
I was truly inspired this week.
I did things I never would before.
I would do ANYTHING for this
camp, ~~even~~ bring my pet to stay
never. 😊 Thank you x 1000!
