

Roundup River Ranch

Summer Staff Registered Nurse

Roundup River Ranch seeks an experienced pediatric registered nurse (RN) for seasonal summer employment, who wants to make a difference in the lives of children with chronic and life-threatening illness. There will be a ten day orientation in June and full time employment from June 6th-August 8th. The summer staff nurse will work under the direction of the Nursing Director and Medical Director. This experienced nurse will be responsible for administering care related to the various medical condition groups served including: oncology, solid organ transplant (heart, liver, and kidney) inflammatory bowel disease, lung disease and severe asthma, and other chronic illnesses. Many of our campers also have comorbid conditions that will require nursing care and support, including asthma, diabetes, and total parenteral nutrition (TPN)/feeding tube dependence. In addition to condition-specific care, other responsibilities include: preparation and administration of routine scheduled medications and treatments to campers and staff, providing various levels of first aid, sharing in rotating clinic coverage with physician support, assisting with clinic inventory and ordering, procedures, assisting with data entry of camper health information, being involved in educating staff, serving as a resource for volunteer medical staff, and serving as a role model in regards to children's growth and development issues, health care, hygiene and ADL needs surrounding acute and chronic illness. Housing and meals are provided on site. Qualified candidates will have a minimum of at least 2 years pediatric nursing experience, state of Colorado Registered Nursing License, and current CPR and PALS/ENPC certification.

Flexibility, teamwork, good communication, strong organizational skills, a positive attitude, and excellent people skills are essential. The dedication, professional excellence, hard work, and unrelenting passion of our staff translates into the courage, strength, and brightness in the hearts of our campers. Applications for this seasonal summer staff RN position will be considered through April 2012. Please send (email) cover letter and resume/CV to:

Ali Garrett RN, BSN, Nursing Director, Roundup River Ranch, Phone: 970-524-5711

Email: ali@roundupriverranch.org Roundup River Ranch is an equal opportunity employer.

In addition to the above paid summer staff RN position, we are also in need of dozens of VOLUNTEER nurses, physicians, and respiratory therapists to help staff our week-long summer sessions and spring/fall family weekends. Interested volunteers may apply using the same process as noted above. Volunteer applications will be accepted on an ongoing basis throughout the year. When applying, please indicate which sessions you are interested in volunteering and your medical specialty. Thank you!!
